Anshu Priya

Software & DevOps Engineer

+91-9142714797 | anshu.priya4748@gmail.com | GitHub | LinkedIn | LeetCode

Summary

Software Engineer and DevOps-focused professional with hands-on experience in software development, cloud deployment, and automation. Built production-style applications using AWS, Docker, Kubernetes, Jenkins, and GitHub Actions, including a containerized E-Commerce application deployed on K3s with Prometheus and Grafana monitoring. Gained practical industry experience through Web Designing and Machine Learning internships, with strong foundations in Linux, CI/CD, cloud infrastructure, containerization, and scalable application deployment.

Skills

Programming: Java, JavaScript
Core: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Networking
Web Development: React.js, Node.js, MongoDB, HTML, CSS
Cloud & DevOps: AWS (EC2, S3, IAM, VPC, RDS, Lambda), Linux, Docker, Docker Compose, Kubernetes, K3s, Jenkins, Git/GitHub, GitHub Actions, CI/CD, Ansible, Terraform, Grafana
Protocols: HTTP, HTTPS, SSH

Experience

Larch Soft Pvt. Ltd. Jun 2026 – Aug 2026
Web Designing Intern
- Completed a two-month internship focused on web designing and development.
- Contributed to web design and development tasks through the Larch Soft Internship Program.
- [Certificate]

National Institute of Advanced Manufacturing Technology (NIAMT), Ranchi Jun 2025 – Jul 2025
Research Intern – Crime Hotspot Prediction Using Machine Learning
- Implemented machine learning models for crime hotspot prediction under Dr. Shalini Mahto.
- Collaborated with mentors and communicated technical progress throughout the project lifecycle.
- [Certificate]

Projects

Urban Shield
Crime Hotspot Detection Platform
- **Problem:** Citizens lacked easy access to location-based crime insights.
- **Solution:** Developed a crime hotspot platform with Google Maps integration, crime reporting and area-wise analytics.
- **Tech Stack:** HTML, JavaScript, CSS, Google Maps API [GitHub]

Automated CI/CD Pipeline for MERN Stack Application
Cloud & DevOps Project
- **Problem:** Manual deployments were slow and prone to configuration errors.
- **Solution:** Automated CI/CD using GitHub Actions, Jenkins, Docker, Docker Compose, Docker Hub and AWS EC2.
- **Impact:** Reduced manual effort and enabled reliable software releases.
- **Tech Stack:** GitHub Actions, Jenkins, Docker, Docker Compose, AWS EC2 [GitHub]

3-Tier Architecture on AWS
Cloud Infrastructure Project
- **Problem:** Single-server deployment lacked scalability, availability and security.
- **Solution:** Designed a secure AWS architecture using VPC, EC2, ALB, ASG, NAT Gateway, Bastion Host and RDS.
- **Impact:** Improved scalability, availability and secure database access.
- **Tech Stack:** AWS EC2, VPC, ALB, ASG, RDS, NAT Gateway [GitHub]

Production-Style E-Commerce DevOps Application
Cloud & DevOps Project
- **Problem:** Manual deployment and monitoring limited application delivery efficiency and scalability.
- **Solution:** Built a containerized DevOps workflow using Docker, GitHub Actions and Docker Hub, deployed on K3s Kubernetes hosted on AWS EC2.
- **Monitoring:** Implemented Prometheus, kube-state-metrics and Grafana with backend availability alerting.
- **Tech Stack:** Docker, GitHub Actions, K3s, Kubernetes, AWS EC2, Prometheus, Grafana [GitHub]

Education

Sarala Birla University Ranchi, Jharkhand
Bachelor of Technology (B.Tech) in Computer Science Engineering *2023 – 2027*

Certifications

- **AWS Certified Developer – Infosys** [Certificate]
- **CCNA Network Course – Cisco** [Certificate]
- **Introduction to DevOps and DevSecOps – Simplilearn** [Certificate]

Hackathons & Competitions

Hacktron'26 – BIT Sindri (Finalist) [Certificate] – Built an AI Meeting-to-Task Automation system using Whisper AI, spaCy and Gemini Flash 2.5.
Hackathon on Cyber Security'26 – BIT Mesra [Certificate] – Developed an Autonomous Deepfake Detection and Response System using OpenCV and Python Flask.
INNOVERSE TECH FEST'25 – St. Xavier's Ranchi [Certificate] – Developed EchoSkill, a skill-exchange platform.
SBU Coding Challenge'26 – Sarala Birla University [Certificate] – Participated in a university-level coding competition.
